

Sergi's Cookery Academy

The perfect teambuilding experience

Participating in one of our brand new cookery courses will not only provide a fun and interesting experience for your staff, what's more your organisation will see the benefits too:

- Following a process
- Fostering creativity
- Improving team performance
- Time management skills
- Organisation

Our state of art kitchens provide a relaxed and welcoming environment under the expert tuition of our master chef, Sergi. We offer a range of courses to suit your individual requirements, just ask us for details.
